

Bushing Sleeves

Installation Accessories for
Duct Sealing Devices

Designed to adapt Tyco Electronics Simplex, Triplex, or Quadplex plugs' hole sizes to different cable or subduct sealing ranges, Bushing Sleeves allow installers to customize our duct sealing product range to project-specific needs. When cables of different sizes occupy the same conduit, Bushing Sleeves, rather than expensive custom plugs, solve the problem.

The ordering information (product chart) listed on product literature for Simplex, Quadplex, and Triplex plugs provides a cross reference to appropriate Bushing Sleeve series.
